

Exercice de mise en page sémantique

(Exercice d'intégration)

Reproduisez le modèle ci-dessous en veillant à :

- Soigner votre dossier racine de site
- Exploiter les balises sémantiques HTML5
- Utiliser une reset (Meyer est un bon point de départ)

The template consists of the following components:

- Header:** A light gray bar at the top with a search input field labeled "Rechercher".
- Navigation:** A horizontal navigation bar below the header with four items: "Page 1", "Page 2", "Page 3", and "Page 4".
- Main Content Area:** A large central area containing:
 - A left sidebar with the title "Festival hacks and tips every camper needs to know" and a "READ MORE" button.
 - A central card with the title "Gorgeous Vacation Spots to Help You De-Stress" and a "READ MORE" button.
 - A right sidebar with the title "Vacation" and a "READ MORE" button.
- Footer:** A light gray bar at the bottom with the text "Informations de copyright & Mentions légales".
